

And he said to me, "These words are trustworthy and true. And the Lord, the God of the spirits of the prophets, has sent his angel to show his servants what must soon take place."

"And behold, I am coming soon. Blessed is the one who keeps the words of the prophecy of this book."

(Revelation 22:6-7)

Foreword

God to the greeting. God greets you my dear brothers and sisters! I am the faithful servant of the Lord Jesus Christ, in our age also called Medium (Prophet of God).

The following announcement of the Lord Jesus Christ was made in the same way as it was usual in the Old and New Testament times, but then it was stopped and denied by dogmatism and inquisition. This is dogmatically misrepresented in this way to this day.

I am aware of the fact that the content of this manifestation will meet with misgivings and doubts. The reader is left to critically examine the content. I am convinced that the light of truth will be felt as such in the hearts and will therefore also prevail; if not today, then at a later time. But for all seekers Jesus' word always applies: "The truth will make you free!" (John 8:32)

He who has ears to hear, let him hear what The Lord Jesus Christ has to say:

When the Lamb opened the third seal, I heard the third living creature say, "Come!" I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. Then I heard what sounded like a voice among the four living creatures, saying, "Two pounds of wheat for a day's wages, and six pounds of barley for a day's wages, and do not damage the oil and the wine!"

When the Lamb opened the fourth seal, I heard the voice of the fourth living creature say, "Come!" I looked, and there before me was a pale horse! Its rider was named Death, and Hades was following close behind him. They were given power over a fourth of the earth to kill by sword, famine and plague, and by the wild beasts of the earth.

(Revelation 6:5-8)

"The Corona virus is much more serious than what is being reported. People have no idea how absolutely serious it is.

If the days were not shortened, no one would be left alive. This move by Satan is so evil that it is beyond the human mind to comprehend something so evil. You see only a tiny part; I see and hear the cries of those who are about to die. I feel the suffering that has no end; the pain and suffering is inconceivable! I love each and every one of My children with all My heart. Yet I tell you that in the times to come, those who have crossed over will be envied by those who are still alive.

I call out to them while they are dying. I give them the opportunity to receive Me - I have not left them without refuge. But many do not really know or understand that I am their God. They have been so brainwashed that only extraordinary grace can convince them otherwise.

This scourge is permitted by My Father to wake you up before it is too late. Many of My people live only for themselves, not for others. Many of you are trapped in your possessions and in acquiring more possessions. These things give you a false sense of security. You do not see how absolutely fragile your lives are and the consequences of living only to please yourselves. You see what your culture approves of, and this gives you a sense of security and

success. However, all this could be taken away from you overnight! Oh, how I wish you all to wake up!

I want you to find new ways to bless others every day and spend a lot of time calling upon Me and asking for wisdom and salvation. **It is not just a simple prayer that will save many, no, there must be repentance - a turning away from sin - the realization that you have been living for yourselves, not for what is important to Me.** Those of you who have shown much mercy to others in this season will receive much mercy.

I long to divert this plague away from your shores! But first I must see repentance and a life dedicated to what is good and right, not just to selfish motives. It is indeed difficult to get you to see things from My perspective. You have been comfortable in your life of excesses and sins. You do not realize or see what is so obvious to all of heaven. You see only what your culture approves of, and therefore drastic measures are needed to change your perspective.

People of the world, turn your heart toward Me. Do not think that you can continue to live only for yourselves and at the same time be safe from this plague. I am calling all of you back to Me, and **what you see is the result of your indifference in living a selfish lifestyle.**

My treasures, without true daily repentance you will remain cold and indifferent in My presence. I so urgently need you to deeply repent of your sins and to do penance for the sins of the world. With this repentance from your hearts, abundant graces flow from heaven. Without this repentance, you are as cold as stone statues, dead to the awareness of whom you serve and who you really are and who you really are not.

People of the world, you all belong to Me. I created each of you with a divine purpose in life, but your worldly society has removed Me from you as a solid source of healing and liberation. They prefer to go to the doctor, whom they believe they can trust. But for many, the help of a doctor is completely useless, so well has this bio-weapon been developed.

I am your only refuge, My beloved ones, and you are all My beloved ones.

I will only say this... **None of these deadly organisms can survive in My blood. If you truly believe and the body of that soul is saturated with My blood, it can be healed,** depending on other factors, such as its state of grace and previous agreements before it was sent to earth. **Nothing evil can survive in My blood, remember that.**

Do not be vaccinated, My beloved ones. They are meant and have always been used to destroy the families of this world. You will be injected with things beyond your knowledge, and it will kill you in the process.

This vaccine will massively compromise your immune system instead of building it up. It weakens the immune system to make you more susceptible to the plagues they will unleash on your nation.

My people, you must remember; they have had this plan for a long time. They have been waiting for this time, for the right time to implement their plans for the *"New World Order"*.

Many will die from the COVID vaccine, and this will demoralize the country. Not all have received the "real" vaccine; many have been injected with a saline solution. This will make it harder for others to see how deadly the vaccines are. They planned this on purpose so that even more people would get vaccinated without knowing the dangers.

Because of this virus, with which they actually wanted to harm you, I am showing you what your life has been like and what it will amount to if you do not act now. You have been slowed down, imprisoned, and given an opportunity like never before to realize what you are up against and where you will surely go if you do not radically change your lifestyle and this nation.

For if you do not get this under control, they will gain control over you and introduce those radical changes against your will, which will bring much suffering and destruction to you. It is not too late if you rise up now!

My people, wake up and realize what you are dealing with. Penetrate deeper and discover the evil among you. And more importantly, turn your love and affection back to Me, for I alone have the power to save you in this crucial hour. But I must see you transform your lives and pray for evil to be overthrown and for what is right and good to prevail.

Stop forming your opinions based on the news media. Dig deeper and find out who they really are and what they are really up to. Make just judgments about your leaders. **It is not up**

to Me alone to turn this nation around; it is up to you to be informed, know the truth and pray accordingly.

Then I can lift My mighty arm, strike the enemy, and reverse the death and destruction he has planned for you and which is on the horizon. My blessing is upon you."

A third angel followed them and said in a loud voice: "If anyone worships the beast and its image and receives its mark on their forehead or on their hand, they, too, will drink the wine of God's fury, which has been poured full strength into the cup of his wrath. They will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. And the smoke of their torment will rise for ever and ever. There will be no rest day or night for those who worship the beast and its image, or for anyone who receives the mark of its name."
(Revelation 14:9-11)

"Investing a lot of time in fruitless and evil video games has attracted a large demonic company to your home. Do you understand? Your bodies are electrical machines powered by electrical impulses. Demons also function with this energy source, and it is so easy for them to connect to your brain and cause serious genetic damage to separate you from Me by desensitizing the higher electrical currents in your body.

You become accustomed to loud, fast-paced music that draws you further away from My still small voice. (1 Kings 19:11-13) **You become desensitized to violence by watching crimes being committed, and you participate in such things in video games.** You are controlled by the monster Satan, who has found ways to make evil beautiful and desirable. He takes advantage of your need to compete and achieve. At the same time, he gives you a sense of achievement by participating in this multidimensional world of video games.

The games themselves are a training ground for sin, drawing you away from peace, gentleness, goodness, deeper thinking and to love one's neighbor. All these games promote is ambition, excelling in violence and speed, and doing things that you have no idea are tied to evil. When you blow up a building, you are not inside watching little children being torn apart by the bombs, and this does not even occur to you, but these war traits prepare you to pull the trigger of a bomb without caring who or what it will hurt or destroy. Speed and skill are cheered without even a thought for the consequences this will have on human life. War is glorified!

But I tell you the truth: war is hell on earth! Satan's intention is to completely annihilate the human race. So he is behind these games that train your reflexes and your desire for action and destruction. The enemy has nurtured you to prepare you to go out and kill, steal and destroy during times of national distress, which is his only intention; to inflict suffering and loss on humankind.

You are struggling with the limitations this virus has placed on your lives. But it is precisely this limitation that I use to wake you up and make you aware of what is really going on in your lives and in which direction you are really heading.

This is not a time to complain; rather, it is time to recognize the emptiness in your lives, the lack of peace and joy, and the addictions that separate you from each other, such as news, video games, drugs, and alcohol, and the huge void left in your lives after the rush of having to go here and there that drove you every day is gone.

You want to be freed from these limitations that COVID has imposed on you, but you have not yet understood all the consequences of your busy lifestyle! There is a life and death struggle raging to steal your life! You must wake up and pray, wake up and realize what has been going on behind the scenes of your lives.

You must realize the clandestine actions that these corrupt politicians have taken. Yes, they have deliberately entangled you in an addiction to keep you out of reality and out of what is becoming of your life and your country. They have set a trap for you - go here, go there, do this, do that - to the point where you are no longer aware that you are **caught in a destructive web, as day after day your rights and your morals are taken away from you under the guise of freedom and fun.**

My people, **wake up! It is not about prosperity, more things, more freedoms, more fun, more entertainment; what is happening to you is that you are being chained, imprisoned, controlled and programmed** to conform to Satan's purpose. **All this is achieved through deceptive entertainment; entertainment that acclaims evil and condemns good.** At this moment you may be enjoying the game, but you will wake up to find that you have been lured into bondage, and the only way out is your God, whom you have been told to despise.

Children, children, children, 10-20-30-40-50 year old children, life is being stolen from you, right before your eyes. **The beauties of your family, the sweetness of a relationship with Me, the freedom on which your nation was founded, your health and your right to live; all these things are slowly being taken away from you.**

I want you to understand...the bad guys have drugged you to subjugate you. **As long as you have your video games, pornography and entertainment, they can keep your eyes off what they are doing behind your back, and what they are doing is taking away your rights to freedom and eventually wiping you off the earth.**

They want to implant you with a device that will program your thinking, your mood, your actions, your desires, and blind you to their motives; blind to why they program these video games the way they do, blind to why they present sexuality as a recreational activity, blind to what is right and wrong, so that you become an animal, a beast, and are no longer a human being created in My image.

I am telling you these things because you are complaining about exactly those restrictions that I have allowed in your life to turn you away from the loss of your soul and an eternity in hell.

I want the world to wake up and realize that it is not about a productive and successful lifestyle, but about human relationships, your children, your family, your nation, your relationship with Me, and about preventing the destruction of everything good on this earth that I have entrusted to you.

I want you to reflect on these times and realize that **you are at a critical crossroads where evil is just waiting to take over and destroy two-thirds of the world's population.** (Zechariah 13:8; Revelation 9:15; 6:7-8; 8:10-11; 13:15...)

This tool of Satan will cause you to curse Me and die without repentance. Therefore, I warn you once again: ask Me for mercy, and remember that those who accept the mark will suffer for all eternity. It is better for them to die quickly and be with Me in heaven for all eternity than to prosper for a few short months and then die in agony and end up in hell.

It is enough that you know that **they chip the public at every opportunity.** They tell you that it is a shot for this or that, but in reality it is an electronic device that programs your brain to forget Me and to prevent you from having anything to do with Me.

Warn them of the enormous physical sufferings that will occur after a so-called prosperity and security phase. When that phase is over, the wicked will turn a switch to make them suffer as

they would never think possible, and on top of that, they will wish they could die, but death will flee from them. (Revelation 9:6)

All I ask of you is: **do not turn off the voice in your conscience to compromise for any reason. One reason after another will be offered to you to bring about an exception to the rule.**

Do not go back to the way it was before, when you were on the road leading to destruction, but turn your heart back to Me. Turn the hearts of your family back to Me by leading them by your example.

Let the world no longer invade your home through what you look at, listen to, read, or in your conversations. Instead, let everything be focused on Me and your mutual love.

I am not a religion, I am a relationship! And I long to hold you, to comfort you and to give you new hope. But you must turn to Me and leave behind those ways that you know are sinful in My eyes. I also ask you to come before My Holy Spirit and search your hearts so that you can **repent of your selfishness, obstinacy, pride, anger, greed, spiritual sloth, lust and rebellion.**

I want to cleanse you of your debts and wash away the darkness so that I can fill you with My light and kindle in you a fire of love for your fellow man.

Come to Me, My arms are wide open. I long to hear your confession and wash you as white as wool, in preparation for the day that lies ahead."

*When the Lamb opened the second seal, I heard the second living creature say, "Come!" Then another horse came out, a fiery red one. Its rider was given power to take peace from the earth and to make people kill each other. To him was given a large sword.
(Revelation 6:3-4)*

"**This is a time like no other in history.** The situation is much worse than anyone knows. Preparations for war under the radar. But this is a very critical time in the history of the world. Things are progressing vigorously and rapidly, but have been kept out of the public eye. Between famine, pestilence and war, the world situation is really coming to a head. The situation is extremely explosive.

What My children are doing to each other is dehumanizing. They are depriving each other of their dignity by the way they treat each other and by conditions. I am familiar with this kind of treatment.

A full-blown world war is about to break out, and this leads to impersonal violence and a great suffering in people. Dehumanization is widespread in times of war. The hatred that intensifies among soldiers in war is a strong human tendency to react to the dehumanization of others. **I tell you, My beloved ones, not to hate, but to love.** Yes, love your enemies and let them see Me through you. (Matthew 5:44)

Do not be quick to judge and criticize because of the circumstances and unpleasant living conditions in which you suddenly find yourself, but **be light and hope in dark and dire situations.** (Matthew 5:16)

The destructive power of war is devastating, and it can come to a decisive moment for the final destiny of a soul, because people can either turn to Me or turn away from Me. Your testimony about Me could be the last words they hear before they die.

My children, please, My children, **devote your thoughts to prayer, not to the things of this world.** There are wonderful plans for all of you, provided you cooperate. I call you to cooperate, My beloved ones. You have nothing to lose and everything to gain. Insofar as you hold your life, your will and your path firmly in your heart, you will shrink in spirit and you will miss all the great gifts I want to give you for your carefully chosen mission. There is so much to do, you have no idea how much depends on your cooperation.

You cannot even imagine how devastating war on your own soil is. You are losing everything you have ever acquired. Your human dignity is taken away, and you become a wanderer with no place to lay your head. That is why the **prayer of repentance is so important.**

I am telling you these things so that you may understand how necessary prayer and repentance and conversion are right now. Much will depend on how much prayer is done to preserve your nation and the things you hold dear.

Cling to Me, My beloved ones. Cling to Me and **pray with all your heart for those who are not prepared for death.** You cannot in the least imagine what is coming, according to the injustice of those who should have known better... The slaughter of innocents, the heinous things done to children - it is more terrible than you can ever imagine.

For these reasons, the judgments must come! But the prayers of the righteous will accomplish much, and there will be an abundance of mercy for the sincerely repentant. (James 5:16b)

Pray and repent and encourage others to pray and repent, because the time is definitely very short."

...Then the angel took the censer, filled it with fire from the altar, and hurled it on the earth; and there came peals of thunder, rumblings, flashes of lightning and an earthquake. Then the seven angels who had the seven trumpets prepared to sound them...

(Revelation 8 and 9)

"The sins of this world are innumerable. They are at a level never seen before in the past. **As the planet Nibiru approaches and the earthquakes increase, you will see how the earth reacts to mankind that lives on it.** Yes, you have already seen how the earth is reacting, but it will become much more violent...more earthquakes, greater tremors in the bowels of the earth for what the people of the earth are doing to each other and to the life that was once so perfect on this planet. The earth, a Garden of Eden, but polluted and desecrated by sin.

It is the obstinate - full of pride, self-reliance and self-satisfaction, blinded by various desires and cravings - they are the ones for whom the revelation must be fulfilled. It is because of the indifferent who say, 'There is nothing wrong with me. I will build another barn to store more goods.' (Luke 12:16-21) However, destruction is looming on the horizon. Chaos is increasing in your cities. Immorality and witchcraft flow through your streets like sewage.

I have given you a foundation of fire-purified gold in My Gospels. What you have built on that foundation is nothing but wood, hay and stubble, ready to be devoured by the fires of judgment. (1 Corinthians 3:11-15)

I miss your true **worship**. I miss your **repentance** and **introspection** to see if your works are done in light or in darkness. I long to see justice and mercy in all families, but instead I see jealousy, selfishness, ambition, unjust judging, dishonesty, oppression, adultery, and worse.

Things will happen simultaneously: Nuclear war, holocaust, unprecedented natural disasters brought about by the stupidity of man. The accelerator (CERN) will not only upset the magnetic order of the Earth's poles, it will also inevitably affect the planets, along with the approach of Nibiru and the comets. It is intended that all these things will happen in close succession - judgment will fall upon the earth with great intensity.

There is no preparation for it, My people, except prayer. Yes, one can prepare and take action for the body, but **the effects on the souls will be horrible and without remedy.** Nevertheless, My mercy will be in progress, and it will not disappoint those who call out to Me. My children, fall more deeply in love with Me and everything will become very easy. Your love, which is blind to your own needs and focuses only on Me, leaves Me no choice but to provide for you supernaturally. Your kindness in helping others with resources from your own sources

of supply puts My angels on standby to meet your ongoing needs. I have never ceased to multiply bread, and I will never cease to do so; not for the stingy, selfish souls, but for the souls who love their neighbor as they love themselves. Not only that; charity also covers a multitude of sins.

Behold, many will shake their fists at Me and curse Me and My people. Others will fall on their knees and beg for mercy. For these, I will be the great eagle that clamps them under My wings of mercy. For the rest, I will be like a sour rain falling on them. It is your decision alone, people of the earth, it is completely your decision.

It will be a storm that is beyond your ability to understand. Fire raining down from heaven in such a powerful way, there will be no place to hide from it. Everything will be set on fire, from skyscrapers to forests. The conflagration will burn the earth like never before. Understand, this will be a necessary cleansing of the pollutants with which man has spoiled the earth. These elements will blaze and burn, and out of them will come new growth, what I would like to call a perpetual Eden, good for the next thousand years, until Satan gathers his forces against Me again.

There will indeed be a comet. Millions will be killed. My heart mourns for them. This will happen before the rapture. Look, the bombs will throw the earth off its axis; it will stagger like a drunkard. Silly people; did you think your children would survive this? The earth will be quite a different place after this comet.

The war will prepare the Earth for the impact of the comet. The earth will be physically, electromagnetically and climatically transformed. This is the deed of human beings; I never intended this comet to hit the earth. **It will happen because ignorant people have listened to the demons and allowed pride and greed to flood their conscience, thinking that if they destroyed 2/3 of humanity, the earth would somehow be a better place to live.** How little they realize that when hell fills up, the earth will also expand, and thus their underground cities would turn into underground tombs.

The comet will graze the earth and move on. It will cause an incision and move out into space again. It will not stop here. It is over three kilometers in diameter, it is very big. You have to understand that there is debris and gases that accompany this thing, and it will do great damage. It will outlast the earth.

This is not fear mongering. This is simply fact and the consequence of man messing with the earth. The enemy is looking forward to this event, knowing that hell will fill up very quickly. This will lead to the shifting of continental plates and land masses, causing earthquakes and destructive tsunamis.

See, I have positioned Nibiru far outside, because it is a kind of prison planet for the demon realm. I could express it even better.... It is the universal capital of the dark ones who have rebelled against Me and have taken away a third of the angels. They have had millennia to work their mischief, and they have oppressed the righteous in all recorded and unrecorded times.

This planet is bringing the ultimate darkness in preparation for the final battle when this evil will be imprisoned and destroyed in the Lake of Fire."

Then I saw a second beast, coming out of the earth. It had two horns like a lamb, but it spoke like a dragon. It exercised all the authority of the first beast on its behalf, and made the earth and its inhabitants worship the first beast, whose fatal wound had been healed. And it performed great signs, even causing fire to come down from heaven to the earth in full view of the people. Because of the signs it was given power to perform on behalf of the first beast, it deceived the inhabitants of the earth...

(Revelation 13:11-14)

"In this world full of wars, rumors of wars, earthquakes and famines, for those who are ignorant or do not have sharpened judgment, the **so-called "humans" of a higher level of consciousness who come to earth** to save you with advanced technologies **will be very tempting**. Those beings are in reality evil, fallen angels who pretend to be highly evolved creatures and boast that they are equal to Me. They will tell you that I am just another higher being from one of their planets and the Pleiades constellation. They will offer you peace, prosperity and good health if you follow their path of enlightenment, and they will tempt you to worship their god of lying signs and wonders - Lucifer. I have warned you about this in these scriptures... 2 Thessalonians 2:1-7, 9-10.

Everyone will greet these aliens enthusiastically because of their advanced intellect and helpfulness. It will even cause heated discussions among the believers that they are Christ-like and holy.

How will you be able to distinguish them from Me when they speak of loving one another, forgiving one another, living in peace and freedom, when they speak of a higher consciousness and spiritual dimensions, when they show their healing powers and perform supernatural signs and wonders, when they speak of a millennial reign of peace, when they speak of a Christ consciousness and display great dignity? How will you know if they are really Christians, if they are saved, or if they know Me? If they tell you that I have come from their planet to prepare the earth for a great awakening, how will you know if this is true? What if they tell you that Lucifer is My brother and has exactly the same powers? Won't their supernatural miracles convince you that maybe it is true after all? It is the same old New Age doctrine wrapped in a cover of supernatural events and signs.

My people, do not be misled by those who preach light, love, healing and equality, but approve of what you KNOW is sin!

You have all been groomed to accept gay and lesbian marriages, even to the point of thinking that it is okay to change your gender and even allow your children to change their gender in elementary school. How perverted do things have to get before you wake up and realize the great deception that is being worked out right before your eyes?

Many scientists are confused as to what exactly the alien agenda is. These men and women do not know the scriptures, so they are left in the dark wondering if they are actually evil or good. How could someone who created a medical bed for the sick be a bad person? How could someone who provides the plans for free energy and simple flying cars for everyone be bad? These are dreams come true for humankind, and this is exactly how Satan planned it. **Most will be so excited that they will eagerly accept and even sign whatever is put in front of them, especially if they are promised healing and a longer lifetime.**

'But they share all these wonderful inventions with us - they can't be evil, or they would have destroyed us long ago.' These are some of the dilemmas facing scientists and society.

These things revealed by Satan are a Trojan horse! **These amazing, supernatural and scientific findings are a Trojan horse** to lure you into believing in a false spirituality, which will lead you into darkness and despair!

This is a complex question, but you will find a simple answer in Isaiah 14:12-14. It is addressed to Satan or Lucifer, who was considered part of the highest order of angels and led worship for My Father until he became jealous and fell from grace.

His intention has never changed. He still wants My creatures to worship him instead of the one true and living God. That is why he has prepared a generation in which he plans to seduce all humankind and make future generations worship him.

He cannot kill My creatures and still be worshipped, so his plan is to deceive humankind into believing that he is God and thereby have the whole world worship him. He has developed a technology to deceive and impress you and get you to worship him, thus realizing his plan to ascend to the throne of God on the mountain of assembly.

My people, what is being taught by good people who are **supposedly** enlightened and have access to top secret documents is the triumph of light over darkness, the end of wars, hunger and diseases, love, joy, peace, equality, a new golden age where everyone has what they need and where peace reigns on earth. They say that this revolution is the millennial kingdom of peace spoken of in Revelation.

I warned you that this would come. In 1 Thessalonians 5, beginning with verse 1, it says: *'Now, brothers and sisters, about times and dates we do not need to write to you, for you know very well that the day of the Lord will come like a thief in the night. While people are saying, "Peace and safety," destruction will come on them suddenly, as labor pains on a pregnant woman, and they will not escape.'*

Why will this happen? It will happen because he who restrains will be removed (1 Thessalonians 4:16-17), and all of a sudden Satan has free reign over the earth.

I say to you: **The millennial kingdom of peace** does exist, but it **will not begin until I have cleansed the earth with fire from all its iniquities** (1 Corinthians 3:11-15) **and gathered and imprisoned all the demons and fallen angels** so that they can no longer lead the people of the earth astray. (Revelation 16:13,14,16; 20:1-3) I have written this in the Scriptures to give you a guide to the events that are now coming upon you.

After that is accomplished, you can look forward to Me coming to earth with My saints and angels to reign for a thousand years. But until that is accomplished in its entirety, you have not yet passed through the fire. Prepare yourselves, beloved, prepare your hearts for that time that will come like a thief in the night and rob the earth of all joy.

These things that I dictated to the apostle John and **that are written in the Book of Revelation must come to pass. I have preserved and protected these words for two millennia so that you would know what is going on.**

Let yourselves be guided by My spirit and not by the spirit of this world, not by the disguising demons and fallen angels who have the ability to manipulate matter in a most amazing way. **Do not be deceived by these false signs and lying miracles!**

The bottom line is: "*You will know them by their fruits.*" (Matthew 7:16) If anything is taught or propagated that contradicts what I have taught you in the Scriptures, you will know for certain that it cannot be from Me. That is your answer.

Stand firm, stand firm, beloved, stand firm in the truth and warn the world of what is to come. Stand up for the truth and do not allow others to be sucked into this dark pit of lies. Pray for them."

Matthew 24:23-25, 1 Peter 5:8

Afterword

"Everything I do is done out of love. Nothing is done for any other reason. Even when souls end up in hell, it is what they wanted. They have chosen this. Who am I that I should override free will? I have given it to man so that he has the freedom to choose between good and evil. What more could I do? Nothing - absolutely nothing.

So now we have reached the crucial point in history where everything must be set right. Pride and arrogance must be exposed, corruption must be purged, people must be given another chance to choose between right and wrong.

I'm coming - it's time."

Then I saw "a new heaven and a new earth," for the first heaven and the first earth had passed away, and there was no longer any sea. I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband. And I heard a loud voice from the throne saying, "Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away."

He who was seated on the throne said, "I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true."

He said to me: "It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. Those who are victorious will inherit all this, and I will be their God and they will be my children. But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur. This is the second death."

(Revelation 21:1-8)
