

The sixth angel sounded his trumpet, and I heard a voice coming from the four horns of the golden altar that is before God. It said to the sixth angel who had the trumpet, "Release the four angels who are bound at the great river Euphrates." And the four angels who had been kept ready for this very hour and day and month and year were released to kill a third of mankind.

(Revelation 9:13-15)

From Yeshua HaMashiach, Jesus Christ, our Lord and Savior – The Word of The Lord - spoken for all those who have ears and hear

"Man cannot imagine what is about to befall this earth or what is now happening before his eyes. His mind has been manipulated to see things that are not there and to be blind to what is there. That is why you must go deeper in your lives, children. Do not be a part of the matrix of lies; lies that are spread daily by the media.

The origin of these lies is none other than Satan, the father of lies, who is bent on destroying the earth and enslaving its inhabitants by enticing them to worship him in return for prosperity, health and protection.

Do not enter into the net of lies which he has stretched over the earth. Rather, seek Me every day, and I will reveal the truth to you, either spoken or through My Spirit. But I will not leave you in ignorance of the forces to which you are blind.

A cosmic debris field is on its way to you. These huge and vast debris fields, containing asteroids and comets, will hit the earth in various places and bring about changes not only in the physical world but also in people's minds.

Scientists have long studied when and where asteroids will hit, and the enemy is using this information to cause changes in your thoughts and perceptions. He will use fear, worry and excitement to control thoughts and manipulate mindsets.

So many are being watched and grouped for manipulation and destruction. Many are marked for destruction and do not know it. But I laugh at the plans of men, for I alone have the power to stop them and protect others.

Do not be afraid of people! Know that I am with you and uphold your cause, and when I want to call you to Me, it will be done quickly and mercifully. Nothing is worth the loss of your souls!

Dear ones, **the world is preparing for war.** They are taking the weapons out of the camps and planning their attacks on each other. **It will be a bloody war such as the world has not yet experienced.** New, destructive weapons will be brought forth as things come to a head. I want you all to be ready. When I say "ready," I mean your spiritual readiness. This war has been a long time coming, and many are still fast asleep, thinking it is only a crisis in Europe. How wrong they are! My blessed ones, you must prepare your hearts by uniting them with Mine. Even now I am suffering anguish because of the things people intend to do. War is hell on earth and the last thing I want to do to you.

Because of the depravity of the world, this must happen. It is so true that **sin on earth, especially deep-seated sin, when millions agree with immorality, creates energies that destroy the earth** that enables you to live.

You must adopt a prayerful attitude and inform people of what is going on and why. My mercy will be readily available to all who call upon Me with a **sincere heart**.

In a way, I have been waiting for this time, because I know that this will finally attract everyone's attention. The sleepers will awaken, and **many will run along and go to the camps where they will be promised food, shelter and medicine. There they will be watched closely to see which group they fit into; whether they are dissidents, cooperative or dangerous to the world agenda.**

The patriots will not go to the camps. They already know what they have to do and are well prepared. I cannot illustrate to you how serious the situation is, but it will cause My people to turn to Me with all their hearts. Others who have never really given their hearts to Me will go and join the winning side. Brother will rise against brother, sister against sister, mother against father, and so on.

I want you to understand that these are souls with free will. They may be your children or your mother and father, but understand that they have free will, and you cannot blame yourselves for their decisions. They make their decisions based on what is important to them. But for you, I want you to cling to Me with all your heart.

Do not participate in the food distributions, because much of the food will be spoiled in order to bring about a further population reduction and to make people compliant.

This instruction is very important, My little ones. You will find that this will also be your only source of comfort and security, because the war will rage all around you. When it begins, you should come to Me, embrace Me and enter the place where I am. I will need your comfort as much as you need Mine. Many of you, **when you embrace Me**, will get an inkling of what is happening at that moment, and **some of you will go to those people in spirit to comfort them.**

-3-

Do not hesitate to do this. I will make it possible and accompany you as you go. Please open your mind to this, and **be My messengers of healing, comfort and love**. This will not be your imagination, but a movement of My Spirit with your spirit, visiting those who need assurance and love.

Will you do this with Me? Can I count on you? Please grasp the rope of grace, and we will do this together."

Psalm 14
