

What is sin?

(Jesus) "Sin is a barest disturbance of the divine order!...

Sin is man's own work, as it comes from his flesh and from the will of his soul....

Be certain that your greatest enemy is your own will and your greatest protection is humility, which always tends to obedience.

If you love Me with all your heart and nothing remains for self-love, you will conquer your sins!"

The right measure of Love

or

The meaning of the number of the beast 666 (Revelation 13:18)

Jesus: "I will give you a measure, then, by which you and everyone should know how he should stand with self-love, with love for his neighbor and with love for God.

Take the number 666, which in good and bad circumstances denotes either a perfect man or a perfect devil!

Divide the love in man into 666 parts; give 600 to God, 60 to your neighbor and 6 to yourself. But if you want to be an accomplished devil, then give God 6, your neighbor 60 and yourself 600!"

(Remember the fairy tale of the Brothers Grimm – inspired by the Spirit of God – “The star-money“)

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. (2 Corinthians 9:6-7)

*But the LORD said to Samuel, “Do not consider his appearance or his height, for I have rejected him. The LORD does not look at the things people look at. **People look at the outward appearance, but the LORD looks at the heart.**“ (1 Samuel 16:7)*
