

Jesus explains...Being Captured by Satan and "Halloween Night"

Words from Jesus to Udo for Satan's servants, the heart dwellers and all who have ears to hear

(Udo) "Lord, what is Your message today?"

(Jesus) "Retribution belongs to Me, says the Lord. Satan is the criminal; I am God. No weapon formed against you will succeed. You have chosen to follow Me and serve with your whole life. Shall I not protect you from the evildoers? For of all days, **Satan's day** (October 31) is **Halloween**, where they celebrate their defeat."

(Udo) "Why are they celebrating defeat?"

(Jesus) "That's just it. They don't understand that they are defeated - so they celebrate. I cannot save the fallen angels, they have sealed their fate. They will go to the lake of fire sooner or later. But I can save those who are plagued by them. I can also save those who are deceived by them. **This is why you pray for your enemies.**

I saw them when they were innocent and pure, before sin entered and they made a pact with the devil. I saw their pain and affliction. I urged them not to go the way of retaliation and anger, but to forgive and I would heal them. Some heard Me clearly and still turned away. Some had a deep sense that it was wrong as they followed their fleshly reactions, but they continued anyway. And some did not hear Me at all - they were deaf. Yet I touched them all in some way. I know what a soul can become that has gone astray once it turns away from evil. She can attain the highest holiness and service in My Kingdom, but first she must forgive her enemies, renounce Satan and all evil deeds, repent thoroughly for every evil deed, and then come to Me, and I will restore her. I will not only restore, I will put a guard over her so that no evil can befall her. In other words, she will be protected from the retaliatory blows of Satan and his coven.

But she must embrace all My ways and never turn back!

I cannot protect a soul that goes back. As long as she lives in the safety of the sheep enclosure, no wolf or lion can get her. But if she jumps over the fence or returns to her old ways, she is quite vulnerable and susceptible.

I want a love relationship between us. I want them to call upon My Father, their Father - for they truly came from Him originally. He loves them very much, they are His children, and losing them is the same as losing one who serves Him. They are loved unconditionally."

(Udo) "Lord, are You making another call to the Satanists today?"

(Jesus) "I do. **And I call out to My heart dwellers to dedicate this day to prayer for them, so that they would repent and return to My Father's Heart.** I will guide them. I will heal them. I will teach them. I will liberate them and forgive them. I will do everything a good father would do for his beloved child.

But this concept is foreign to them. If they would only approach Me and give Me a chance - I will show them the true meaning of love. And never again will they hunger for that love. I will supply them with it daily like fresh manna, if they only give Me the chance and come to Me daily.

Many of you who practice this are called to be prophets and healers in My Kingdom. Many of you have had nothing but tragedies in your lives - unspeakable tragedies - and never have you known what it is to have a loving mother or father. Many of you were cursed to stay in the coven, even though there are times when you want out. You are afraid of what will be done to you.

Your master is a dog on a chain and I am the one who holds the other end. He cannot go further than I allow, and if you turn to Me, I will indeed free you and protect you from him.

You have seen on this channel how I love you all. You have seen how I instruct you, how I wait for you to see how I triumph over the enemies of My children who serve Me. You have seen the true Master and Creator who does not lie. And you have seen My personality and that I am a kind and accessible God.

Some of you have turned away from Me because you lost a loved one, and you continue to ask yourselves: 'If You are God, why did You let him/her die? I prayed to You!' But you do not have the same information that I have. You do not know what would have happened to him/her

if I had not called him/her home. You do not understand the "why" because you are only a tiny creature, and I am the one who formed you in the womb.

My ways are not your ways and you will never understand them. But there was a very good reason for everything that I allowed, no matter how hard it seems. And some of those reasons have to do with your salvation. For one thing, the souls make an agreement with Me, before they come to earth, about the kind of life they will lead. We have agreed on this, and many who seem to die senselessly are martyrs who give their suffering and their lives for others who love them. Even the plants and animals understand what I am asking of them.

Everything good you loved about that person is only a reflection of My love for you. Did she love your company and always want to be with you? It is the same and more for Me. Would she do anything for you? I too would do that - which I proved when I died the agonizing death of a criminal on Golgotha. Did she protect you? I do, too, every day, even if you are not aware of the many times you have come close to death. Was it fun to be with her? That is how it is with Me - if you want to cultivate that relationship with Me. You are invited to do so. Did she take care of you? So do I, every day... but you do not realize it.

There are no coincidences. There are only divine events.

Do you have dreams? And are there gifts and vocations that you always wanted, but were told that you were a loser and had no talent? Or you tried and failed? So you thought spells would bring you what you wanted.

Do you know that Satan will take your life and plunge you into hell and torment when he finishes using you? Yes, he is using you. He uses you to spread his religion. Do you know that I can change your DNA and give you the gifts and talents you have always wanted? I can even teach you how to use them and lead you into ways that will satisfy your life.

You think that money, women or men and talent is what you want, but when you have all that and you feel that emptiness inside, you will see that nothing brings you lasting satisfaction. All of it is empty because your heart was created for Me. And until you have Me and I live within you, you will feel empty, no matter how much you have.

There are so many things you do not know about Me and what I do for My children, and Satan will not tell you. He is the father of lies and nothing he says can be believed. I hope that you will not wait to find out. I hope you do not wait until it is too late!

So I call out to you once again, you who worship Satan and throw around spells and incantations. I am calling you to My heart. I truly love you, and I want you to be with Me forever. I know what you have done, and I still love you. I still want you. And when you come to Me, I will forgive you and wash you clean of your past life and give you a new life - fresh new life, new hope. And you will find real joy and love in your life that no one can take away from you. And you will have peace. Peace that you never had."

"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. ³⁰ For my yoke is easy and my burden is light." (Matthew 11:28-29)
